

**Fernbrook Farms Environmental
Education Center**
2019 Winter Pre-Kindergarten Semester
3-4 Years Old

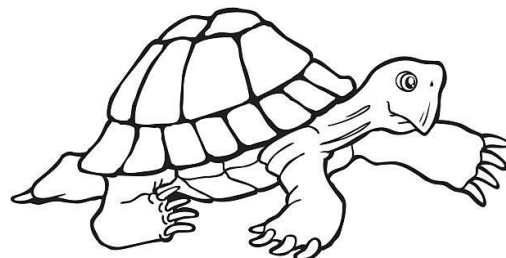

Class Sessions Offered: Tuesdays 9:30am-10:30am, Thursdays 9:30am-10:30am,
OR Thursdays 1:30pm-2:30pm

Turtles and Tortoises

January 15th or 17th

The students will learn all about turtles and tortoises this week! Together we'll compare and contrast the two, learn about their habitats and even get to meet a special visitor!

What's the Weather?

January 22nd or 24th

With our classmates, we'll discuss the different types of weather and learn ways that nature can help us predict the forecast.

Groundhogs in the Garden

January 29th or 31st

As the students are exploring the farm, we'll learn about groundhogs and look for signs of their burrows. The class will also talk about the legend of Groundhog Day and make our own predictions!

Year of the Pig

February 5th or 7th

This week the class will discuss Chinese New Year to celebrate the coming of spring and new beginnings! 2019 is the year of the pig so we'll also learn about these important farm animals!

In Love with Nature!

February 12th or 14th

This week we'll celebrate Valentine's Day by exploring our favorite parts of the farm and discuss ways that we can show our love for the earth!

Continents and Countries

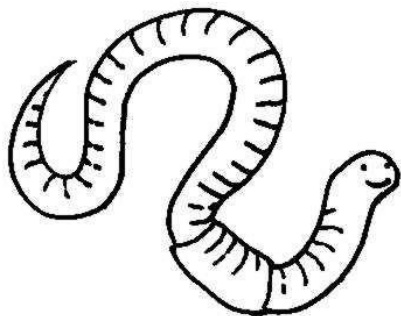

February 19th or 21st

With the help of our globe we'll explore the world this week! With our friends this week we'll learn about the continents and some of the countries they contain.

Ecosystems

February 26th or 28th

With our classmates this week we will explore different types of ecosystems, along with the plants and animals that live within them. The students will learn about some far away, on continents we discussed last week, and visit some right in our own backyard. The class will then work together to create our own!

What's in your Worm Bin?

March 5th or 7th

This week we'll get our hands dirty in the worm bin! We'll learn about caring for worms indoors to create fresh compost all year long and we'll discuss what worms living outside do to survive the winter.

**** Please note that the class topics for the Pre-K and Kindergarten classes are the same, but the content will be altered to fit the learning abilities of the different age groups. FFEEC is dedicated to providing age appropriate learning experiences for all children as they explore their natural world.****
