

Fernbrook Farms Environmental Education Center

2019 Fall – Winter Bridge

Pre-K & Kindergarten Semester

3-5 yr olds

Pre-K (ages 3-4) Tuesdays 9:30-10:30am, Tuesdays 1:30-2:30pm, Thursdays 9:30am-10:30am OR Thursdays 1:30pm-2:30pm

Kindergarten (ages 4-5) Tuesdays 10:30-11:30am, Tuesdays 2:30-3:30pm, Thursdays 10:30am-11:30am OR Thursdays 2:30pm-3:30pm

Fernbrook Farms Environmental Education Center's Pre-K/Kindergarten Program provides students with an alternative way of learning. Students spend a day once a week on our 230 acre working farm with amazing natural resources such as 60 acres of forest, a meadow, streams, agriculture, and a rich history. Our dedicated staff works with small groups of students to provide hands-on learning experiences.

Our Bridge Program is a short period of classes between our 8-week semesters and is a great way to bridge the gap between our Fall and Winter Semesters, as well as try out our classes to see if you are interested in pursuing participation in the future.. If you have any questions please call the Education Center at (609) 298-4028 or email jenna@FernbrookFarms.com.

Our World Through a Magnifier December 3rd or 5th

The students will get up close and personal with the world around them this week, as we learn how to use a magnifying lens. With our magnifiers as our tools we will take a hike to investigate what details we can learn about nature when we pause and look closely.

Animal Tracks

December 10th or 12th

Become a detective in this class as we learn about the different shapes and sizes of the tracks animals leave behind. We will identify the tracks we spot on the farm and use our imaginations to come up with the animals' stories – Where were they going? What were they doing?

Everlasting Evergreens

December 17th or 19th

As Winter approaches and the fall leaves have dropped, our class will explore Fernbrook's assortment of evergreen trees, from pines to spruces. How do these trees look, feel, and smell different than the other trees around the farm? Students will use their senses to discover the answers to these and other questions during this all hands-on lesson.
