

**Fernbrook Farms Environmental  
Education Center**  
**2020 Winter Pre-Kindergarten Semester**  
*3-4 Years Old*

**Class Sessions Offered:** Tuesdays 9:30am-10:30am, Tuesdays 1:30pm-2:30pm,  
Thursdays 9:30am-10:30am, OR Thursdays 1:30pm-2:30pm

**Sounds All Around**

**January 14<sup>th</sup> or 16<sup>th</sup>**

Our class will experience the sounds of winter this week with a little extra help from our animal friends. Students will create their own fox ears to take our on our adventures as we listen closely to the sounds of the farm in winter.

**Chicken Check-ups**

**January 21<sup>st</sup> or 23<sup>rd</sup>**

It is time to check in on our friends in the animal barn. We will learn about how our animals adapt for the harsh winter weather as we cook up a tasty treat for the chickens to enjoy and help keep them healthy through the rest of the season.

**Winter Wonderland**

**January 28<sup>th</sup> or 30<sup>th</sup>**

Who doesn't love to play in the snow in winter? Students will enjoy learning more about snow this week as they get to touch and play with this fluffy, frozen, and magical part of winter in New Jersey!

**Animal Habitats**

**February 4<sup>th</sup> or 6<sup>th</sup>**

The groundhog emerged from its cozy home earlier this week to tell us if spring is coming early, but where are all of the other forest animals staying warm this time of the year? Our class will learn about where the animals spend their winters as we take a trip into the forest to build our own animal habitats.

**Water Phases**

**February 11<sup>th</sup> or 13<sup>th</sup>**

As we take advantage of the cold winter weather, students will learn about the phases of matter in a hands-on exploration of water, ice, and steam!

**Colors of Winter**

**February 18<sup>th</sup> or 20<sup>th</sup>**

Students will enjoy an exciting wintertime scavenger hunt as we search the farm for our favorite colors, paying special attention to the colors that are able to shine through during the winter months.

**Leap Day Celebrations**

**February 25<sup>th</sup> or 27<sup>th</sup>**

Let's leap around the farm this week as we learn about a very special upcoming day. We will talk about why we get to see February 29<sup>th</sup> on the calendar this year as we celebrate a day that only comes once every four years!

**Friction Frenzy**

**March 3<sup>rd</sup> or 5<sup>th</sup>**

The winter provides us with so many different textures and surfaces to explore on the farm. Students will learn about friction and motion as we experiment with how we can move, glide, and bump across different surfaces around the farm.

**\* Winter Semester enrollment for some time slots may be low. In the event that we have low enrollment we may have to combine age groups and time slots. If the decision to combine time slots you will be notified by phone or email and have the option to combine or move to a different class time.**

**\*\* Please note that the class topics for the Pre-K and Kindergarten classes are the same, but the content will be altered to fit the learning abilities of the different age groups. FFEEC is dedicated to providing age appropriate learning experiences for all children as they explore their natural world.\***
