

Fernbrook Farms Environmental Education Center

2022 Fall-Winter Bridge Program

Upper Level Homeschool- Ages 12-14

Tuesdays 9:30am-11:30am, Tuesdays 1:00pm-3:00pm, Thursdays 9:30am-11:30am, OR Thursdays 1:00pm-3:00pm

Fernbrook Farms Environmental Education Center's Upper Level Homeschool program provides students with an alternative way of learning. Students spend a day once a week on our 230 acre working farm with amazing natural resources such as 60 acres of forest, a meadow, streams, agriculture, and a rich history. Our dedicated staff works with small groups of students to provide hands-on learning experiences.

Our Bridge Program is a short period of classes between our 8-week semesters and is a great way to bridge the gap between our Fall and Winter Semesters, as well as try out our classes to see if you are interested in pursuing participation in the future.. If you have any questions please call the Education Center at (609) 298-4028 or email Jenna@FernbrookFarms.com.

“Cooking and Adventure”

Make Our Own Cheese

November 29th or December 1st

The classes will make their own mozzarella cheese during this class, and then putting it on their own mini pizzas!

Fernbrook Escape Room

December 6th or 8th

Can you figure out the puzzles to escape? Ms. Patty will challenge each class to work together to escape their classroom and if they do, they will find the ingredients they need for a cooking surprise.

Outdoor Cooking

December 13th or 15th

Each class will work on their fire making skills and put together a vegetable soup to warm up from the inside out. The group may also craft a nice warm drink and possibly even a dessert.
